

STOP THE SPREAD

We care deeply about the safety of our campus community. If you feel sick, do not come to campus. Remember that some people without symptoms may be able to spread the virus.

Clean your hands often with soap

Keep social distance (6-8 feet)

Cover your mouth and nose when around others

Cover coughs and sneezes

Clean and disinfect frequently touched surfaces

Avoid close contact with people who are sick

HELP STOP THE SPREAD

Please wash or
sanitize hands
before and after
entering bathroom.

Please wear a face
covering in this
common space.

FACE COVERINGS REQUIRED

Missouri S&T policy requires cloth face coverings to be worn at all times in common areas.

FACE COVERINGS ARE REQUIRED.

You are required to wear face coverings inside buildings and other common areas or when social distancing is not possible. Thank you for helping slow the spread of COVID-19.

PRACTICE PRECAUTIONARY DISTANCING

TAKE THE STAIRS

Help protect our Miner community by avoiding crowding the elevator and taking the stairs when possible.
