We care deeply about the safety of our campus community. If you feel sick, do not come to campus. Remember that some people without symptoms may be able to spread the virus.

- Clean your hands often with soap
- Keep social distance (6-8 feet)
- Cover your mouth and nose when around others
- Cover coughs and sneezes
- Clean and disinfect frequently touched surfaces
- Avoid close contact with people who are sick

For the latest on COVID-19, visit coronavirus.mst.edu.
