As members of the Miner community, we will come together to protect the health and safety of our campus and community. We acknowledge that this pandemic is presenting us with unexpected challenges. We understand that our upcoming academic year will look and feel different. We accept this situation and pledge to respond with noble efforts to overcome the challenges before us because that's what Miners do.

I PLEDGE TO:

1 PROTECT MYSELF

Monitor myself daily for symptoms of COVID-19 before coming to campus

Take my temperature daily before coming to campus

Notify **covid@mst.edu** if I have symptoms of illness or a fever

Wash my hands often with soap and water or use hand sanitizer

2 PROTECT MY CAMPUS

Wear a face covering in classrooms and inside buildings when social distancing is not possible

Maintain social distancing in my daily activities

Stay home when sick and follow advice from **covid@mst.edu**

Respect the space of others and encourage healthy practices

Participate in health screenings and testing, if advised

3 PROTECT MY COMMUNITY

Represent S&T in the community and lead by example

Support and encourage my peers in healthy behavior

Limit group sizes to minimize my number of contacts

Consider the health and safety of each participant

Limit my travel outside the area to essential activities
